1. Round table discussion took place amongst those present at this meeting

- How to promote Community Health Forums to this district
- Look at the wording on the advertisements perhaps the title forums may seem too formal.
- Find out what type of advertising will work well for this community
- The time of forum may be a factor however we have tried after hours in the past.
- Do we keep this forum at two venues only as Ngaruawahia attendance is often very low.

**Date and Time of next meeting: Thursday 14 March at 10am
Community House, 13 Galileo St, Ngaruawahia**
