	Orbiter bus stop
	Shuttle stop
	Pedestrian route
	Main hospital corridor (L1)
	Areas affected by construction

Map updated March 2010

Waikato Hospital has a free shuttle service for patients and visitors, 8.30am - 4pm Monday - Friday. The shuttlebugs are similar to golf carts and the shuttlebus is a green van that can transport wheelchairs and pushchairs. Catch a shuttle from Level B5 of the carpark building or ask a volunteer or receptionist to call one for you from the area you are visiting.
