

**Wednesday
18 August 2010**

*A regular monthly forum – over tea or coffee -
aimed at health professionals who are involved in
postgraduate study or research*

Publishing Your Research

An important aspect of undertaking a research project is publishing the findings. Come along and hear some tips about how to get your work published in academic journals.

Venue: BEC

Time: 3-4pm

Future suggested topics include: Writing up findings, writing a conference abstract and how to get the best out of Power Point when presenting research findings.

RSVP: Nicola McKenzie ext. 23559
