Any more ideas? - win a bottle of wine

Where in the hospital could we put our new book return bin?
Our old return slot on the pink corridor needs to shift soon.
We are looking for a secure place which is easily accessible
within the main hospital complex.

Any ideas? Send an email to the Library and be in to win a bottle of wine

Let the information come to you - get email alerts

Do you need to keep an eye on some journals or search topics?
You can get:

- **Contents pages** whenever a new issue is published
- **Regular updates** of searches

All you need is an **email address**

We can set this up for you OR we can show you how

- set up RSS feeds

Would you like to be kept up to date with changing web content? News sites (eg. the Waikato Times and the New Zealand Herald), some publishers and other sites offer RSS feeds.

We can set this up for you OR we can show you how

Mosby's Nursing Consult

Have you tried this nursing resource?

It's a great place to find answers quickly, stay informed, educate patients and improve your practice.

It includes:

- * Evidence-based nursing
- * Patient Education handouts
- * Clinical Practice Guidelines
- * Care planning tools
- * On-line full-text books and journals
- * Clinical images
- * Drug information

Journal News

The online version of **New England Journal of Medicine** has a new look and a **new web address** - <http://www.nejm.org/>

The Library now holds **Urologic Nursing** in print from 2008.

Have you had a visit from the Library yet?

Could a 20-30 minute Library presentation fit into your next meeting?

Learn about:

- The new catalogue
- E-journals and e-books
- Database searching made easy!
- How to set up home access

IS Training

The Training team are running 1 hour refresher classes for nurses and 1 ½ hour refresher classes for ward staff.

If it has been over a year since you did your i.PM training, why not come along to a refresher class and catch up with the upgrades and changes that have happened since you were trained.
