

WAIKATO DISTRICT HEALTH BOARD

Waikato DHB member

Pippa MAHOOD

Elected member of Waikato Health Board – three years.

Hamilton City Councillor – currently deputy mayor.

Hospice Waikato – trustee for 25 years.

Health and Disability Trust – member.

For many years I have been a strong voice advocating for better healthcare. In the beginning of my term, I found it frustrating that management was out of tune with the service delivered by our great and dedicated staff, and needlessly inefficient at responding to community needs.

However, I strongly believe that the board has made great strides with management to improve the processes in finally turning the system around. I am detecting a willingness and enthusiasm that has not been evident before.

I ask for your support again, as I am really keen to continue the progress that is occurring, particularly as the new Chief Executive settles in, to help make this board one of the best in the country.

Conflict of Interest Statement

To the best of my knowledge I have no conflicts of interest with the Waikato District Health Board other than as a trustee of Hospice Waikato, trustee of Health & Disability Trust both of which are voluntary positions and my husband was a medical specialist at Waikato Hospital, now retired.
