

# Forms

D17A

**Introduction:** Forms are located in the **Forms – All General** node in the Tree Pane when a patient is selected.

1. Select or search for a patient.
2. Click on the **Forms – All General** node within the Tree Pane.

3. There are two types of forms available:
  - MH GenMed Shared** Mental Health forms will only display if the patient is a Methadone patient unless special access to MH forms has been given.
  - Surgical Forms** These can be viewed by all staff if the patient has had a theatre event.
4. To see more detail, click on the Form hyperlink.

**General Forms**  
Please select from the list below or create a new one
